I am writing to thank you for your part in making the cadets' Political Affairs trip to Washington a success.

From all reports, the cadets and faculty advisors feel that the presentation by Dr. Mel Goodman was the essential ingredient in this highly successful trip. Please convey my thanks and appreciation to Dr. Goodman for taking the time to travel to the State Department for the briefing. As in the past he made a very positive impression on the cadets.

Sincerely,

A handwritten signature in dark ink, appearing to read "T. D. Combs, Jr.", is written over the typed name.

As we discussed on the telephone, the Coast Guard Academy Political Affairs Association is planning a foreign affairs briefing trip to Washington, DC on 7-9 March 1984. There will be three (03) faculty advisors and fifteen (15) cadets participating; the students have been selected on the basis of academic criteria, with a majority of them pursuing the History/Government major. All of the participants have confirmed SECRET access.

In accordance with your arrangement, our briefing from Sovietologist Dr. Mel Goodman will be held at the State Department at 1500 on 8 March 1984. I plan to call you early the week of 5 March 1984 in order to finalize our arrangements, particularly with respect to the reservation of a conference room at the State Department. It is my intention to have Dr. Goodman met by LT Phillip J. HEYL, U. S. Coast Guard, at the C Street Diplomatic Entrance at 1450, 8 March 1984.

Thank you for your time and assistance with this project.

Sincerely,

F. M. Rosa, Jr.
F. M. ROSA, Jr.

MEMO FOR:

George Lauder

25X1

FROM:

SUBJECT: USCG Academy Visit

I received a call from Lt. Fred Rosa at the U.S.C.G. Academy requesting a repeat of last year's briefing for their senior cadet course in political science -- a group of approximately 17 students majoring in Government, in addition of course to Marine Engineering. They would be accompanied by two USCG commissioned officers and one FSO assigned to the Academy.

Rosa requested a briefing from a Sovietologist, citing last year's briefing by Mel Goodman as outstanding, the highlight of their two-day visit to Washington which included State, DoD and NSC -- and will again this year. The dates are 8-9 March. He asked for a 20-minute briefing, allowing the remainder of the hour for questions; he stated that last year's formal presentation addressed the ongoing arms talks and Soviet activities in the Caribbean basin, and that questions had elicited further info about Andropov's succession to the General Secretary post and how the Sov leadership views the U.S.

All members of the group have a Secret clearance; they hope for a pm briefing on Wednesday, 8 March, or an am briefing on Thursday, 9 March. Will provide necessary info (SSN, DPOB); will have own transportation.

I think we should do it, if possible; do we need DDCI approval? I would try, then, to enlist Goodman or someone else who might be available, if he isn't.

Remarks:

Agree we should set this up. It is, after all, of an official nature. Wouldn't hurt to give them a short pitch on CIA first, followed by a substantive briefing.

Lets do. No need for other Approval. Put in DC weekly.

MEMORANDUM FOR THE RECORD

SUBJECT: Visit of Monroe Community College Class

Professor Charles Salamone telephoned on this date to request scheduling for an annual visit by members of Monroe Community College's (Rochester, N.Y.) class on American Foreign Policy. He stated that he would like to schedule a preliminary meeting with the Academic Coordinator on 3 April (@ 1400 hours) to discuss the program, which he hoped could be presented during the week immediately following the Memorial Weekend in May. He said that the emphasis for the Agency this year, he hoped, would be on Technology Transfer, coupled with a general presentation on CIA.

He expressed the view that a 15-25 minute presentation in each case, followed by 30-45 minute Q&A exchange would be most suitable for this well read, intelligence group.

Faculty reps who will be accompanying the group:

Associate Professor Charles Salamone (History/Poli. Sci.)
Professor Henry P. French, Jr. (History/Poli. Sci.)
Code 716 424-5200, x-3260 (the Dept.) or x-3270 (Salamone)

Dr. Salamone acknowledged that it is required the group be composed exclusively of U.S. citizens, no cameras, recorders, etc.
